PROFESSIONAL SUMMARY

Computer Science student and campus brand leader at SRMIST, Chennai, with hands-on experience in PR, alumni/community relations, and large-scale event execution; including Red Bull's collaboration with Cherry+ Network. Organised, coordinated and executed 150+ campus events, hosted institutional events for 5,000+ attendees, and managed on-ground celebrity guest logistics for one of Asia's largest student-run tech fest Aaruush. Combines an entrepreneurial, business-first mindset (Most Innovative Solution, beating 500+ teams at a UCSI Consulting pitch) with a proven ability to lead teams and turn ideas into real experiences that engage student communities.

Multilingual communicator across 7 languages.

BRAND ACTIVATION, PR & EVENTS

Public Relations Intern — Cherry+ Network

Sep 2024 – May 2025

- Supported Red Bull's on-ground sponsor presence at ForceFest, a Cherry+ Network event held at an aerospace hangar, helping manage a dedicated Red Bull section and drive attendee engagement with the sponsor.
- Featured across multiple Cherry+ Instagram reels marketing Red Bull as an event sponsor; managed broader PR campaigns, reel ideation, and CSR initiatives for the network.
- Led a Cherry+ community initiatives donation drive at a local orphanage, spending a full day on-site coordinating meals and medical essentials for the children.

Official EMCEE — SRMIST Directorate of Student Affairs

Sep 2024 – Feb 2026

- Anchored large-scale institutional events for audiences of 5,000+ attendees, representing the university on stage through live hosting and intercultural communication.

Committee Member — Aaruush, SRM University

Sep 2024 – Feb 2026

- Contributed in managing on-ground coordination for celebrity guests (incl. Bhuvan Bam, Raghav Chaitanya) at Aaruush tech fest, alongside broader corporate communications and community-facing events.

LEADERSHIP & CAMPUS INVOLVEMENT

Trainee Lead — Directorate of Alumni Affairs (DAA), SRMIST

Aug 2024 – Present

- Mentored incoming recruits and spearheaded alumni-engagement strategy across 100+ alumni-engagement events, serving as a primary point of contact for high-profile alumni relationships.

Editorial Associate — Coding Ninjas 10X Club

Sep 2024 – Present

- Led editorial strategy and co-organized technical events that drew student participation from 150+ colleges across India, shifting from hands-on execution to strategic planning.

ENTREPRENEURIAL & BUSINESS ACHIEVEMENT

Most Innovative Solution — UCSI Consulting Group Pitch Competition, Kuala Lumpur

Jan 2025

- Selected as the winning team among 500+ teams and 3,000+ students for translating a business problem into a practical, presentable solution under high-pressure consulting constraints.

PROFESSIONAL & CREATIVE EXPERIENCE

Full Stack Developer Intern — BufferTech

Feb 2024 – Aug 2024

- Developed and maintained full-stack web applications in a production environment; awarded verified Certificate of Excellence.

Co-lead, Design, Media & Editing — 6Pistons

Dec 2024 – Aug 2025

- Co-led design, media production, and content editing across creative campaigns for automotive clients (Mercedes-Benz, VinFast, Audi).

PROJECTS & INITIATIVE

- Independently built and grew a personal portfolio site (1,300+ LinkedIn followers) featuring a Developer Arcade of original interactive games, reflecting initiative in creating engaging digital experiences.
- Designed Red Gambit (AI strategy gaming platform) and TODAR 2.0 (personal-finance web app) — 30+ total projects/builds demonstrating analytical thinking and product creativity.

OTHER ACHIEVEMENTS

- 1st Runner-Up, SRM PBL 2024, Dept. of Foreign Languages (represented Republic of Korea); Semi-Finalist, TechXcelerate Hackathon, BITS Hyderabad, 2025.

EDUCATION

SRM Institute of Science & Technology, Chennai

Aug 2024 – 2028

B.Tech, Computer Science & Engineering; GPA: 4.37 / 5.0
